Dear Sir/Madam

RE: CONFIRMATION OF INTERNSHIP PLACEMENT – MOSA DANIEL MSIZA

This letter serves to confirm that Mosa Daniel Msiza has been accepted to complete his internship/workplace experience at Belgium Campus iTversity. During his placement, Mosa will be based within the Department of Programming, where he will gain practical workplace experience related to software development and information technology. He will complete his required practical activities under the supervision of Mr. Simba Zengeni.

Belgium Campus iTversity confirms that it will host Mosa for the required workplace experience period, from September 2026 to July 2027, providing the necessary supervision and practical exposure.

Should you require any additional information, please feel free to contact us.

Kind regards,

Projects Coordinator
Simba Zengeni
